Dear Friends and Supporters,

We hope this letter finds you well and thriving. The **Foundation for Foster Children (FFC)** is thrilled to announce our collaboration with **Festivals of Speed**, a name synonymous with excellence and community service. On June 20th at the prestigious Rolls-Royce, Lamborghini & Bentley of Orlando, **Festivals of Speed** will host a fundraiser for FFC. This gathering of elegance and goodwill is not just an event, but a beacon of hope for the hundreds of local foster children served by FFC each year.

The mission of FFC is to create meaningful connections for children in foster care through personalized support. With over 2,000 kids in foster care in Central Florida, we truly cannot do this work without the support of our community.

Festivals of Speed has graciously agreed to assist us in securing donations of products or services for this grand occasion. We wholeheartedly endorse their commitment to quality and their passion for supporting our cause. It is with great pride that we invite you to be a part of this noble endeavor. Your contributions, whether it be a product for our auction or a service for our raffle, will be instrumental in the success of this event. 100% of all funds raised will go directly to the **Foundation for Foster Children**, ensuring that every penny will be utilized to enrich and enhance the lives of vulnerable foster children.

Please join us in supporting **Festivals of Speed** in their efforts to make this event a resounding success. Your donation will be a testament to your commitment to our community and the welfare of our children.

For more information, or to make a donation, please email me, Helen Preston at **Hpreston@ffc.org**. We are deeply grateful for your consideration and look forward to a positive response.

With warm regards,

Helen Preston
